

# The Liver Symposium

## A Global Collaboration of Medical Practitioners and Cancer Patients

### **Unique Meeting Style with Patient Participation**

This meeting combines expert teaching from leading physicians in the field and first-hand accounts from patients regarding the latest treatment modalities. In addition lectures include advice on getting the treatments you need, dealing with insurance companies, and being your own best advocate.

**What:** Continuing Medical Education (CME)

**When:** May 14-16, 2009

**Where:** The Palmer House, Chicago, IL

**Time:** 9am - 4pm May 15 & 16

**Other:** Opening welcome dinner May 15 at 7:30pm  
Faculty and Agenda on reverse side.

### **Questions?**
